Message from the MDS President

Happy Spring, MDS members!

This is a trying time of year for everyone with horses! There's snow, ice, and mud to deal with, hair to shed out, blankets to clean, and show ponies and horses to unearth from their winter hibernation. Those without indoors are waiting, not so patiently, to catch sight of their rings. Those with indoors are chomping at the bit to get out there and go somewhere! Even though at times spring may seem far away- show season is right around the corner!

The first show for MDS is on April 3rd and they just keep coming after that. Please make sure to check your omnibus and www.mainedressagesociety.org clinics and shows page for more information! In terms of showing at MDS shows- here are a few reminders!

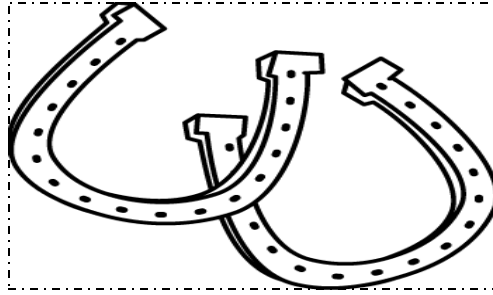

1. When registering for shows it's important that your horses and ponies be up to date on vaccinations and have a coggins drawn within one year. Shows post what is required in their listings in the omnibus! Please check that out before sending in your entry! Incomplete entries often mean you don't get accepted to the show!
2. When filling out an entry form, fill out all the information you can! It's on the form for a reason! When you don't fill it out correctly or completely show managers need to spend time trying to track you down. A suggestion would be to type up your entry and save it on your computer so you just have to fill in show specifics each time you want to enter.
3. If you are hand writing your entry please take the time to make it LEGIBLE! Having correct information is very important!
4. Don't forget payment!
5. Make sure it is properly addressed to the correct show manager! There are a lot of shows out there this year so make sure it goes where you intend to show :)
6. Make sure your entry is sent in well before closing date. Shows fill up and you may miss out. If the show isn't full the manager still needs time to process entries, get times out, etc.
7. Don't phone in entries. Be prepared. Mail it in.
8. Dress appropriately. Some shows require full dress clothes, some don't. Either way remember that when you present yourself and your horse to a judge you are trying to present the best picture possible. Make sure your horse has a shiny coat, looks happy in his work, tail is brushed, that he's at a good weight, and that you are tidy and clean, with your hair tucked away, and a big smile on your face!
9. Spend time memorizing your tests so you don't have to worry about that on show day! **They are new this year!**
10. Have fun! Remember showing is supposed to be fun! Cut yourself and your horse some slack if you have an off day and just do better next time. Look for growth over the season and the positives in each ride!
11. If you are new to showing, tag along with someone who's done it a bunch! Everyone loves company! Ask questions so you feel comfortable with the process! No need to add that nervousness to show day!

SMDA just confirmed a clinic with Sue Jaccoma on May 7-8! That's super exciting to have Sue returning to our area! Please contact SMDA for more information! Puckerbrush Farm is holding an adult dressage camp on April 23-24. More information is on their website!

Just a general reminder to make sure your horse registrations and memberships are in before you attend your first show if you want those scores to count towards year end awards!

Happy Spring everyone! Can't wait to see you all down centerline!

Sincerely,
Bryn Walsh
MDS President

January meeting

Minutes from EMDA meeting 2/7/11 6 pm Betsy Hudson's house:

M. Lagerklint, B. Redman, C. Elia, R. Clark, K. Mitchell, B. Hudson in attendance.

- I. Old Minutes: Read by Cassie, motion to approve by Bryn, seconded by Kitty, all approved
- II. Treasurer's Report: Presented by Kitty, 48 paid members for 2011. More members usually join in early Spring so this is a good number for this point in the year. Kitty requested that all membership forms be completely filled out with name, address, USDF #, etc. She has received many incomplete forms and has to do back research to sort them out. Kitty asked what should be the protocol for checks sent without the late fee. She has contacted some members who have then sent on necessary funds. For people who have not responded, she has sent the checks/applications on to Tammy of MDS (who will then return checks to members). It was decided that this was appropriate action.
- III. Old Business: Omnibus entries were taken care of and it is printed and being distributed. Many thanks were issued to Bryn for setting up the Year-End Awards ceremony.
- IV. Committee Reports:
 - A. Shows - Sheila Haggan has volunteered to chair the June 19th show at Peppergrass Farm. Chris Joost is judging. Bryn & Becky will chair the August 7th show at Puckerbrush. Carol Poulin-Taylor is judging. Kris Nicola will run the September 18th EMDA benefit show at Stepping Stone Farm. Judge is TBA.
 - B. Clinics - Bryn presented a possibility of having Marilyn Heath, an "S" judge and head of the L Judge program, as a clinician. Marilyn will be judging the Puckerbrush USDF show on July 30-31 and could do an unmounted lecture on the evening of the 29th or 30th or do a mounted clinic on the 29th or 1st. Any riders competing in that show would not be eligible for riding in the clinic if it was offered on the 29th. Bryn will get prices and then this will be discussed more. For the free clinic, Bryn suggested having several of the L program candidates for a clinic where riders could ride a test, get feedback, and then re-ride the test. Bryn will figure out a day, location and number of riders/lesson.
 - C. Membership - Marianne was asked to do another mailing of the membership form to be sent to all past members from '09 and '10.

- D. MDS - Turnout for the banquet was good with 90-100 members in attendance.
- V. New Business: EMDA newsletter will be sent electronically now, unless paper copies are specifically requested by individual members on their respective membership forms.
- A. MDS Meeting - Bryn encourages any members to send in farm news or photos and for barns to send in their show results for the website. Newsletters and applications are available on the website and tests will soon be available.
- B. Newsletter - The newsletter deadline is March 1st.
- C. MDS Website - See above at "MDS Meeting"
- D. Omnibus - The Omnibus is out. 400 were printed but due to rising costs, next year only 300 (+/-) will be printed and will be distributed as supplies last.
- E. New Projects - No new projects were discussed.
- F. Next Board Meeting - The next meeting is tentatively scheduled for Monday April 4th, 6pm at Betsy's.

From Both Ends of the Reins

Last Sunday while glancing at ads the New York Times magazine, I casually observed that a horse well-saddled but wearing what must have been a bosal, was photo-shopped into the scene. It just wasn't going to be true. The headpiece was cropped way to close to be real, and no horse in his right mind would be standing quietly in that situation. There was another picture of some movie, and, it was fairly apparent, that among the arabs galloping across the desert, at least one of the riders was a woman. In the behind-the-scenes shots of Lord of the Rings, they explained how most of the riders were women, and how, although Gandalf galloped wildly across country with no apparent bridle, it just wasn't true.

Most people wouldn't notice such detail. But your horse does. The tiniest consistent shift of weight from back to front makes an amazing difference. To learn a foreign language, success results from paying ever increasing attention to the smallest sound changes that affects meaning. Succeeding in dressage is not much different, paying increasing attention to ever smaller changes that affect movement.

Please join us in our shows and clinics. We have a show season planned – we are waiting for you!
See you in June if not before!

Congratulations to NMDA Year-End Awards Recipients:

We hosted the NMDA year-end awards banquet at the Zambrano's home on February 4th, 2011. It was a fun event with delicious food & great company. We started with a pot-luck dinner with a show season slide show. We then had a mini show paperwork clinic to review all the different aspects of paperwork required for club membership, show entries & year-end award forms. We had a lot of great questions and hope all learned what they needed. At last we presented the year-end awards.

News from Southern Maine Dressage Association

Susan Jaccoma Spring Clinic May 7-8, 2011

Southern Maine Dressage Association is pleased to have Susan Jaccoma return to New England for a Clinic / symposium at Spring Creek Farm in Lyman on May 7 & 8, 2011

Susan has been absent from the New England scene after relocating to Wellington, Fl., where she is busy teaching and training all levels of horse and riders.

Susan has earned many awards in her dressage career, including Team and Individual Gold Medals at the 2000 Nations Cup in Sydney Australia, numerous Regional Championships at many levels with various horses, 2 Pan Am Selection Trials, WEG Selection Trial and National Championships at Gladstone and San Juan Capistrano. In addition she has been long listed with USET since 1998.

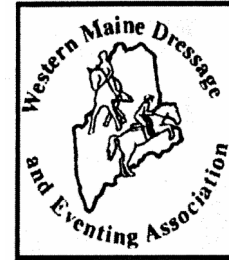

She has competed at the international level for over 20 years working with many well known trainers such as Jane Savoie and Robert Dover. We have seen her ride in many clinics with instructors such as Steffen Peters and Klaus Balkenhaul.

She currently trains her 11 year old Hanoverian gelding Wadamur with Lars Peterson. After many successes in Grand Prix, their long term goal is the 2012 Olympic Games. She has also had many articles published in various magazines about her training methods.

We feel fortunate to have such an accomplished rider come "home" and spend the weekend with us. More information will be posted on our website, www.southernmainedressage.com

Greetings! I hope everyone has survived the winter intact, and I know that I am very excited that the weather seems to be warming up a bit! WMDEA is gearing up for a busy and fun filled summer/show season. Our next meeting is March 20, at 2 pm and will be hosted by Trish DelVisco. As usual, we have many WMDEA affiliated shows (scores from those shows are eligible to count toward WMDEA year end awards), which are hosted by Esprit Equestrian Center, Hidden Brook Farm, Look Out Farm, and Sunset Farm, we hope to see many of you there.

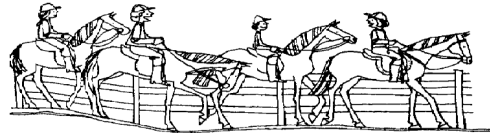

We are also hoping to be able to host an Equestrian Fleamarket this spring, and we will be keeping everyone updated as to the date and other information as we get it all organized. We are also planning a Summer Cookout/Pool Party for Wednesday, July 13, so put it on your calendar now! This event is planned as a fun socializing event for members of all ages. We will have a wine and cheese social hour starting at 5pm and then the cookout and official party will start at 6pm. This will be held at Trish DelVisco's house in Norway, and we hope to see everyone there.

Also, were hoping to host a clinic with Vicki Hammers-O'Neil on April 16 – 17, however we were unable to find enough participants. Instead we are hoping to do a clinic or camp with Vicki this fall. We will keep everyone updated as to dates, prices, etc, but please let me know if this is something that you are interested in and what you would like to see at the clinic or camp.

I hope everyone has a wonderful spring! As always, if you have any questions or suggestions please feel free to email me: holdenkathleen@gmail.com.

To assist in compiling information concerning the 2010 EMDA Year End Awards, you are *required* to submit this form to EMDA. This will help us double-check our records and get back to you if there are any questions. Mail or email (preferable) this information by November 1st, 2010 to: Bryn Walsh, 97 Miles Road Newburgh, ME 04444 , (207) 234-2147, beredman23@hotmail.com.

	EMDA Rider-Run (optional)		
	EMDA Rider-Run (optional)		

NOTES:

1. IMPORTANT! – You are *required* to submit this form by Nov 1st if you want to qualify for a year-end award:

If this form is not received by Nov 1st, you will not receive a year-end ribbon so please make sure you submit it on time! **Reminder: You must be an EMDA member by the date of the first 2010 EMDA Rider-Run Show to be eligible for EMDA 2010 Year End Awards.**

2. In order to be eligible for Year End Awards, scores must be obtained from at least two different judges (min. 3 scores total if showing below second level, 2 scores at 2nd or above) with the following exception: if a rider only qualifies by riding at EMDA shows (not other EMDA pointed shows), and if EMDA uses the same judge at more than one of its three shows, then the rider will still qualify. [However, if the rider only rides in only two shows: one EMDA show and one outside show, then the rider must still show under two different judges in order to qualify for Year End Awards.]

3. This form has nothing to do with MDS!

4. Only list one horse, one rider, and one level per form (make copies as needed).

5. Riders are only eligible for awards at 2 consecutive levels. If you qualify for 3, you will forfeit your eligibility at your lowest level.

You must report all scores, not just the ones you like.

7. We point any show pointed by MDS. **THIS YEAR THE EMDA AND PUCKERBRUSH SHOWS WERE OMITTED FROM THE OMNIBUS. RESULTS FROM THEM AS WELL AS FROM THE MDS APPROVED SHOWS IN THE OMNIBUS SHOWS ARE POINTED. THEY WILL ALSO COUNT TOWARDS MDS YEAR-END AWARDS.** If you have any questions as to whether a show is pointed by EMDA, please contact Bryn Walsh, 97 Miles Road Newburgh, ME 04444 , (207) 234-2147, beredman23@hotmail.com

Please note that to qualify as junior riders for EMDA 2009 membership and Year-End Awards, riders must be under 18 years of age as of January 1st of the show season. **Riders must also be EMDA members by the date of the first Rider-Run show.**
